

## **Read me**

### **Technical requirements**

- \* Windows 98/2K/ME/XP
- \* 800 MHz CPU
- \* 128 MB RAM
- \* 16 MB video card

### **Required software**

- \* Java Runtime Environment (JRE) 5.0  
(<http://java.sun.com/javase/downloads/index.jsp>)
- \* DirectX 9.0c  
(<http://www.microsoft.com/windows/directx/default.mspx>)

### **Opening the environment**

MaLT environment does not need to be installed.

The users just have to copy the uploaded folder on their hard discs. The environment opens by double clicking on the 'run.bat' file.
